

## About Interagency Council, Inc.:

The purpose of the Interagency Council, Inc. is to bring health and social service providers together to resolve issues of common concern, improve coordination of services, and to identify and improve resources to support these services.

We invite all health and social service providers to our monthly meetings, held on the second *Friday* of each month from September through May. We do not meet during the summer. For more information, please email us.

We would like to thank those health and social service providers that contributed membership fees to make this directory possible for our community. We worked diligently to prepare this directory. If any information has changed or is incorrect, please notify us in writing. We apologize in advance for any inconvenience.

## Special Thanks to the Following:

We also want to express special thanks and gratitude to Keys Energy Services, Lower Keys Medical Center, and First State Bank for their generous
